Microsoft®

Register now and get a chance to hear the following keynote speakers

David Weinberger

Bestselling author of *The Cluetrain Manifesto*, known for his open and honest opinions on internet marketing ✨

Alex Wright

Writer and information architect with experience from numerous projects like New York Times, Harvard University, IBM, Microsoft and Yahoo ✨

Steve Pepper

Independent researcher, writer and lecturer who founded Ontopia in 2000. Leader of the international Topic Maps community since 1999 ✨

Three days of tutorials, case studies, technical discussions, and exhibitions – everything focused on how to manage information according to the user's way of thinking.

Welcome!
